

## **Immaculate Heart Homeschool Co-op**

### **Uniform Policy**

Uniforms are required for children age five and up at the beginning of the school year. We have chosen to require uniforms to manifest our common purpose, promote attentive behavior, and encourage modest dress among our members.

- **Boys:**
  - Light blue polo shirts
  - Navy chinos.
  - Navy sweaters may be worn over polo shirts in the winter.
  - Non-marking shoes. Gym shoes are acceptable.
  
- **Girls:**
  - Light blue polo shirts.
  - Navy skirts or jumpers. Skirts should fall about mid-calf or lower.
  - Navy sweaters may be worn over polo shirts in winter.
  - Non-marking shoes. Gym shoes are acceptable.

Most items may be purchased anywhere, however skirts/jumpers will be custom made at the price of \$12 per skirt or jumper.

We want parents to model for our members a manner of dress which promotes the dignity that the body has as the temple of the Holy Spirit. For that reason, we expect all attendees will abide by a certain standard of dress. Please avoid excessively short or low-cut attire, as well as anything containing rips or holes, or excessively tight clothing.

I understand and I and my family will abide by the above policies of Immaculate Heart Homeschool Co-op.
